Subject to
Hendl & Murray
Engineering Ltd's
standard conditions of
sale (copy available on
request).

Please note:

1. Domes supplied as formed, we have not allowed for polishing or edge preparation.
2. Domes will have a 60mm diameter centre hole, required for forming.
3. All heads are cold formed, heat treatment will not be offered.
4. The dome geometry given does not constitute a verified design. Vessel design remains the responsibility of the vessel manufacturer.

* Lead time from date of order, subject to prior orders. To be confirmed at time of order.

** Price is valid for thirty (30) days.
